COVID-19 EMERGENCY GRANT PROGRAM

This Spring the Miami County Foundation reevaluated its Spring grant cycle to address the imminent need for emergency relief for our community due to COVID-19. The Miami County Foundation chose to support our Miami County nonprofits in their efforts to provide enhanced services to counter the community impact of this pandemic.

Our various grant committees reviewed the applications which had already been submitted for the regular spring grant cycle and identified those requests which were humanitarian (including our ongoing humanitarian grants) or lifesaving in nature, and submitted to our Board of Directors for approval. Once approved those grant requests were funded.

The remaining budgeted funds were then earmarked for our Emergency COVID-19 Grant Program. These funds have been designated for organizations supplying food, shelter, or other assistance in response to COVID-19 impacts.

If your organization is providing enhanced services to counter the effects of COVID-19 for the residents of Miami County and you would like to apply for emergency grant funds, please visit our website at www.miamicountyfoundation.org for an application. Completed applications may be emailed to karen@miamicountyfoundation.org or mailed to P. O. Box 1526, Piqua, OH 45356. Applications are reviewed in the order they are received and, if approved, funded immediately.

THANK YOU

On behalf of the Board of Directors, we have regrettfully accepted the resignation of Andrew R. Pratt from the Board of Directors.

Mr. Pratt joined the Miami County Board of Directors in March 2005 and became involved in the management of the Foundation quickly by becoming a member of the Administrative Committee in October 2005. Mr. Pratt continued his service to the Foundation by serving a term as Secretary and Vice-President before ultimately being elected President of the Board of Directors in 2013.

Mr. Pratt served on the Humanitarian Committee, Investment Committee, and was the driving force in creating the Foundation's Business Partner Program, which began in 2015 and continues today.

Thank you, Andy, for your faithful service to the Foundation and your community. Your participation and guidance to the Foundation have been invaluable. You will be missed.

TROY HIGH SCHOOL BAND SCHOLARSHIP

The Miami County Foundation is pleased to announce the establishment of the Troy High School Band Scholarship through a very generous donation. While the donor wishes to remain anonymous, they are quite passionate about the Troy High School Band program.

The Troy High School Band Scholarship is for a graduating senior who has been a four-year band student. The student must have a 3.5 GPA or greater, a letter of recommendation from a Troy High School Band Director, and must be pursuing a higher education in Music or STEM studies. This scholarship excludes Orchestra and Choir. The deadline for applications for the Troy High School Band Scholarship is March 1, 2021, with the first scholarship to be awarded in May 2021.

If you are interested in setting up a scholarship through the Miami County Foundation, please reach out to Karen Eliason, Executive Director for more information.

I am so thankful for the scholarship that you have given me! This will be a great help while I better my education in college and pursue a degree in Parks & Museum Education. Thank you so much!

KIMBERLY LAUGHMAN

I wanted to be sure to thank the Miami County Foundation for being selected as a recipient of the Thelma Ross Dalton Memorial Scholarship. This will come in handy for my next semester. I am now in a Doctoral program for Occupational Therapy, and the amount of student debt that I am about to accumulate over the next two years is extremely daunting. Thank you so much! I am very grateful, and someday hope to give back to my community in Miami County, just as your organization is doing.

MARIE EWING

I want to thank you for the scholarship money you have generously awarded me for this 2020-2021 school year. Though due to the Coronavirus pandemic I feel like I missed out in celebrating this my final year of high school, the awards you have given me brought me much joy and anticipation of striving toward a better future. I look forward to being able to focus and work on my Automotive Technology degree at Sinclair Community College without the stress and worry of how I will pay for my education. So, thank you. May God richly bless you as you have blessed me.
